Dear Mr. Garrison

137 Your kind & far too flattering letter has given us great pleasure. Many thanks also for the excellent photograph enclosed – I fear circumstances will prevent my father altogether from coming here next week. But we shall be delighted to welcome you if you are kindly willing to come.

You come from Waterloo
Station. by South Western
Railway. changing at
Temple Combe Junction
& by some trains also at a
small station quite near
me. called Evercreech.
Neither change is a trouble.
Some one.
The trains are
from Waterloo . reaching Glastonbury
9. 12.51
10.45 3.47
11.45 5.5
4.50 9.12
I dont recommend the last;
the first will be the most

about 3 hours from London

pleasant to us, as it wd
give us most of your com-
pany: but we will meet
London
wherever you like best.
if you will let us know
a day beforehand. You
could easily see what
remains of Glastonbury
Abbey on Saturday after-
noon. & then you could
see Wells & Cheddar
easily in a drive on
Monday. on your way to
Bristol. Perhaps I ought
to say that you come
thro' Salisbury on your

journey from London -
but it might be only tiring
to you to attempt to see the
Cathedral in so hurried a
way.

Yours faithfully
Helen P. B. Clark.
